

**A** ANTHRACITE

**I** IVORY

**C** CLOUD GREY

## EXAMPLE

Icons produced as standard can be seen above.  
 Icons with assigned numbers can be printed on selected folds.  
 In the example, **5-fold switch** with assigned icon;  
 "X" is does not exist. (Fold does not exist i.e. above figure configures 5-fold switch),  
 "0S" No icon,  
 "1S" Volume On/Off icon,  
 "4S" Light On/Off icon,  
 "7S" Light dim,  
 "2S" Volume Up/Down  
 In conclusion: 4 folds have icons&status, 1 fold does not have any icon, only status,  
 1 fold does not exist, clour "anthracite".
