

4K@60Hz/18G/444 Active Optical (AOC) HDMI Fiber Cables

SX-EX62-10	33ft./10m
SX-EX62-15	49ft./15m
SX-EX62-20	66ft./20m
SX-EX62-30	98ft./30m
SX-EX62-40	131ft./40m
SX-EX62-50	164ft./50m
SX-EX62-60	197ft./60m
SX-EX62-70	230ft./70m
SX-EX62-80	262ft./80m
SX-EX62-100	328ft./100m
SX-EX62-120	394ft./120m
SX-EX62-150	492ft./150m
SX-EX62-200	656ft./200m
SX-EX62-250	820ft./250m
SX-EX62-300	984ft./300m

- **4K/UHD Support:** 4096x2160 or 3840x2160 50/60Hz at 4:4:4
- **18Gbps Bandwidth:** High Speed / Performance for latest HDMI standards
- **High Dynamic Range(HDR) Format Support:** HDR10 and Dolby Vision
- **HDCP2.2:** Compliancy up to HDCP2.2 and backward compliant
- **Audio Return Channel :** Audio can be returned from display back to HDMI source for amplification and display
- **Active Optical Cable(AOC):** Technology carries heavy TMDS HDMI channel over fiber
- **Deep Color Support:** Up to 4K 24/25/30Hz 4:4:4/12 bits or 50/60Hz 4:2:0/12bit
- **Directional Cable:** Each head contains specific handling for optimal performance
- **OPEN EYE Technology:** Certified & tested for 0% loss and noise -free performance

- **Support All Digital Audio Formats:** Dolby TrueHD, Dolby Digital Plus, Dolby Atmos and DTS-HD Master Audio
- **Thin & Flexible:** Wiring supports tighter bend radius than traditional HDMI
- **Powered by HDMI:** No external powering
- **Pull Strength:** Fiber Optic Cable = 33lb / 15kg. Connector = 53lb / 24kg
- **Cable Gauge:** 28 AWG
- Support Xbox 360, PS4, ROKU, Apple TV
- Cable Diameter is 4.8mm, which is easier for wiring
- Connector with gold-plating can ensure better conductance
- Metal shell that covers the connector provide better EMC
